

### ADULT EDUCATION YOU CAN HAVE FAITH IN.

## MASTER OF DIVINITY

The Master of Divinity (M.Div.) program is designed for individuals who desire a comprehensive program combining Bible exposition and theology with Christian ministry, preparing students for pastoral and chaplaincy positions. The program combines the core and theology courses of the Master of Arts of Theological Studies (MATS) with the Bible Exposition or Biblical Studies concentrations of the MATS program, plus courses in Christian ministry. This program provides students with the knowledge and skills necessary to be successful pastors, ministers, church planters, or missionaries.

Through M.Div. core courses (36 credits), students will develop biblical principles for spiritual formation and discipleship, learn advanced principles of biblical interpretation, study the socio-historical worlds that gave rise to the Old and New Testaments, survey the history of Christianity, and construct a personal theology of leadership. In-depth theological courses round out the core M.Div. curriculum.

Upon completion of the M.Div. core courses, students choose from one of two concentrations (20 credits) in Bible Exposition or Biblical Studies. The final component of the M.Div. program includes courses in ministry (20 credits). The Master of Divinity will be granted upon the completion of 76 credits.
