A Consortium Agreement is a written arrangement between two institutions for the financial benefit of a student who is simultaneously enrolled at both institutions in eligible Title IV programs. This agreement allows a student to receive Title IV funding from Northwest College for all of the eligible courses for which the student is enrolled, including those at another accredited institution.

The student must be eligible for federal financial aid and a degree-seeking student at NWC to qualify for this Consortium Agreement. For a course to be eligible, it must be offered by an accredited HOST institution eligible to participate in Title IV federal aid programs and accepted by Northwest College as applicable to the student's degree requirements at NWC. It is the student's responsibility to complete the agreement properly and ensure that all necessary steps are taken so funding may be delivered and academic credit granted for the courses.

HOW TO APPLY

The Consortium Agreement process has several required steps. Northwest College is the HOME institution for the purposes of completing this agreement. Please review and complete the following steps. Complete all sections, leave nothing blank.

1. Complete your application for need-based financial assistance (Free Application for Federal Student Aid/FAFSA) at least 12 weeks prior to the beginning of the semester in which you would like to use a Consortium Agreement. Students ineligible for federal financial aid at NWC are ineligible for Consortium Agreements at NWC. Each agreement is valid for only one semester. (Reapplication is necessary for each semester.)
2. Register for classes at NWC and the HOST institution. You must be simultaneously enrolled for a minimum of six credit hours between the HOST institution and NWC for this agreement to be valid. (3.0 credit minimum at NWC). The exception is if a student is undertaking a full exchange semester at another Title IV eligible institution as part of that institution's study abroad program, the student need not enroll in any NWC credits other than the NWC exchange semester course (INTL-2300), but all exchange semester credits must be applicable to the student's incomplete degree requirements at NWC. Exchange semester credits that do not count toward incomplete NWC degree requirements are not eligible to be included in this Consortium Agreement. (Exchange semester students must meet all enrollment status credit requirements to qualify for federal aid: minimum 3.0 credits for Pell eligible students, 6.0 credits to borrow federal loans).
3. If you are undertaking an exchange semester at another Title IV eligible institution as part of that institution's study abroad program, you must submit a *Course Transferability Assessment form* to the Financial Aid Office to document the HOST institution's exchange semester/study abroad courses are applicable to the student's incomplete degree requirements at NWC. Exchange semester credits that do not count toward incomplete NWC degree requirements are not eligible to be included in this Consortium Agreement. Work with the Intercultural Programs Manager and your academic advisor to complete the Course Transferability Assessment form, then deliver it to the NWC Financial Aid Office for federal aid eligibility evaluation.
4. Submit the Consortium Agreement to the Financial Aid Office at the HOST institution. Have the Registrar and Financial Aid Director at your HOST institution review and complete their sections of this Consortium Agreement. Ask the Financial Aid Office at the HOST institution to submit the completed form to the Financial Aid & Scholarships Office at NWC for approval.
5. At the end of the semester, YOU must request an official copy of your academic transcript from the HOST institution be sent to the Registrar at NWC to receive transfer credit. Under this consortium, you must meet NWC's financial aid Satisfactory Academic Progress standards with the combination of HOST and NWC grades and earned credits. Your financial aid for the next semester is contingent upon NWC's receipt and evaluation of the transcript from the host institution and your Satisfactory Academic Progress accomplishments. See NWC's *Satisfactory Academic Progress* policy at www.nwc.edu/fapolicy.
