IMPORTANT:

A student's request for enrollment in a Northwest College educational program that leads to licensure or certification will be evaluated in accordance with 34 CFR 668.14(b)(32) and Northwest College policy. Admittance into a requested educational program is not guaranteed as 34 CFR 668.14(b)(32) may prohibit Northwest College from approving the enrollment requested for select requests. In the event that a student's request for enrollment in a specific educational program cannot be accommodated under 34 CFR 668.14(b)(32), the student will be provided with a written explanation from the Admissions (for new student applicants) or the Registrar (for current students) Offices. Students should direct questions:

- about the licensure or certification outcomes of Northwest College's educational programs in compliance with 34 CFR 668.43 disclosure requirements, the content of educational programs that lead to licensure or certification, or the reason(s) why the educational program meets/does not meet the requirements (or is unknown) in a given state, to the Office of Academic Affairs @ 307-754-6472 or academics@nwc.edu.
- about 34 CFR 668.14(b)(32) regulatory requirements or Northwest College's compliance policy & procedures therein, to the Director of Enrollment Services @ 307-754-6103 or west.bernandez@nwc.edu.
