Summer Session June 3 - July 24, 2024

In order to determine eligibility for the summer 2024 semester, you must complete the appropriate year's FAFSA (Free Application for Federal Student Aid). The FAFSA is available on the web at <u>studentaid.gov</u>.

PELL GRANTS – With the implementation of "year-round Pell", you may have eligibility from either the 2023-2024 FAFSA or the 2024-2025 FAFSA. Therefore, the Financial Aid Office recommends that you <u>file both the 2023-2024 & 2024-2025 FAFSA forms</u> to determine which application offers grant eligibility in your best interest. Credit enrollment requirements may differ depending on which year's FAFSA provides summer Pell eligibility.

LOANS – Federal Direct Loans may be available if you have not exhausted your maximum annual loan limit eligibility during the fall 2023 and spring 2024 semesters (from the 2023-24 FAFSA only). Direct loans require a minimum enrollment of at least 6.0 credit hours during the summer 2024 semester, and a Master Promissory Note (MPN) and Loan Entrance Counseling (if you are a first-time loan borrower). If you have not already done so in a previous term, complete:

- Entrance Loan Counseling at studentaid.edu
- MPN at studentaid.edu

NOTE: Because of the variability of course start dates and the possibility of course/section cancellations, your aid may not be available in one disbursement. The Financial Aid Office will notify you in your Financial Aid Office Letter of the dates and amounts of financial aid disbursements available to you. Additionally, to receive summer funding you must successfully meet the standards as established in the Satisfactory Academic Progress (SAP) policy. Review the policy at nwc.edu/fapolicy.
