Students and families sometimes make errors on their applications so there is a process for verifying information and making corrections. It's called "verification" and your 2026–2027 Free Application for Federal Student Aid (FAFSA) was selected for review. The Financial Aid Office will compare your FAFSA with the information on this worksheet and with any other required documents. If there are differences, your FAFSA information may need to be revised. To complete the verification review, you must complete and sign this worksheet, attach any required documents, and submit the form and other required documents to the financial aid office. The Financial Aid Office may ask for additional information or clarification as your information is verified. If you have questions about verification, contact the Financial Aid Office.

 - They live with the student (or live apart because of college enrollment);
 - They receive more than half of their support from the student; and
 - They will continue to receive more than half their support from the student during the award year.

 - They will continue to receive more than half their support from the student during the award year.

The provided criteria for "dependent children" or "other persons" align with the requirement that family size align with whom the student could claim as a dependent on a U.S. tax return if the student were to file a U.S. tax return at the time of completing the 2026-2027 FAFSA. As a result, the student should not include any unborn children in the family size.

Important Note: The instructions below apply to the student and spouse if the student is married. Notify the Financial Aid Office if the student or spouse filed separate IRS income tax returns for 2024 or had a change in marital status after the end of the 2024 tax year on December 31, 2024.

Instructions: Complete this section if the student and spouse filed or will file a 2024 IRS income tax return(s). As part of federal student aid eligibility, students, and spouses (as appropriate), will be required to consent and approve sharing and importing income and tax information from the IRS to the FAFSA form, even if the attempt to obtain or use such data is ineffective. In other words, if the student and spouse filed separate IRS income tax returns, both must provide consent and approval to share and import income and tax information from the IRS. In most cases, no further documentation is needed to verify 2024 income information that was transferred into the students' FAFSA using income and tax information directly from the IRS.

If 2024 income tax return information for the student (or spouse, if applicable) was not available or could not be used, the student should provide the institution with a **2024 IRS Tax Return Transcript(s) or a signed copy of the 2024 income tax return and applicable schedules**.

A **2024 IRS Tax Return Transcript** may be obtained through:

- Get Transcript by Mail – Go to www.irs.gov, click "Get Your Tax Record." Click "Get Transcript by Mail." Make sure to request the "Return Transcript" and **NOT** the "Account Transcript." The transcript is generally received within 10 business days from the IRS's receipt of the online request.
- Get Transcript Online – Go to www.irs.gov, click "Get Your Tax Record." Click "Get Transcript Online." Make sure to request the "Return Transcript" and **NOT** the "Account Transcript." To use the Get Transcript Online tool, the user must have (1) access to a valid email address, (2) a text-enabled mobile phone (pay-as-you-go plans cannot be used) in the user's name, and (3) specific financial account numbers (such as a credit card number or an account number for a home mortgage or auto loan). The transcript displays online upon successful completion of the IRS's two-step authentication.
- Automated Telephone Request – 1-800-908-9946. Transcript is generally received within 10 business days from the IRS's receipt of the telephone request.
- Paper Request Form – IRS Form 4506T-EZ or IRS Form 4506-T. The transcript is generally received within 10 business days from the IRS's receipt of the paper request form.

If the student and spouse filed separate 2024 IRS income tax returns, and the **2024 IRS Tax Return Transcript(s) or a signed copy of the 2024 income tax return and applicable schedules** must be provided for each.
