Students and families sometimes make errors on their applications so there is a process for verifying information and making corrections. It's called "verification" and your 2026–2027 Free Application for Federal Student Aid (FAFSA) was selected for review. The Financial Aid Office will compare your FAFSA with the information on this worksheet and with any other required documents. If there are differences, your FAFSA information may need to be revised. To complete the verification review, you must complete and sign this worksheet, attach any required documents, and submit the form and other required documents to the financial aid office. The Financial Aid Office may ask for additional information or clarification as your information is verified. If you have questions about verification, contact the Financial Aid Office.
