

# PRESIDENT'S ADVISORY COUNCIL

## Summary of November 5, 2012 meeting

By Cindy Cicci

### **Yellowstone Building fundraising campaign**

Shelby Wetzel and Andrea Shipley updated the PAC on fundraising efforts for the Yellowstone Academic/Workforce Training Building. Approximately two-thirds of the Foundation Executive Committee members have made gift commitments and they're hoping to get 100% participation from the College's key leadership groups. The *Yellowstone Vista Campaign* will be formally launched at the Foundation's Gala Dinner this Friday, November 9<sup>th</sup>. Several fun events are planned for the employee giving campaign kick-off next Monday, November 12<sup>th</sup>.

### **Board of Trustees meeting agenda**

CTA and the State of Wyoming Project Manager, Dennis Egge, will attend the November Board meeting to provide Trustees with an update and to review the building schematic design. Student Senators will be introduced to the Board. This is the last Board meeting for outgoing Trustees for whom there will be a brief recognition ceremony.

### **Update on personnel policies**

Vice President Mills was able to clarify information about some personnel policies. Discussion will continue at next week's PAC meeting.

### **Other**

After winning the district championship on Saturday, the Men's Soccer Team will be competing at the national tournament next week (November 12-17) in Albany, GA. Vice President Mills' staff will work with the coach and Athletic Director in arranging for travel.

PAC approved starting the search process for the Women's Soccer Team coach.

There was a brief discussion regarding assistant coach positions and budget issues. Vice President Mills will provide more information at next week's meeting.

PAC discussed taking another look at developing a procedures manual for use in governing College operations. The discussion initiated as a result of addressing an individual departmental procedure that affects other areas of the College. It was decided that if there's disagreement with a department procedure that has an effect on the institution and an agreement cannot be reached, that PAC would be a mechanism for changing procedures developed by departments.

The PAC decided against developing a Demonstration/Gathering Policy.
